Subject.	*Resolutions.*
I. Letter No. 410 of the 19th December 1906, from the Vice-President, Mysore City Municipality, forwarding copy of letter from the District Engineer, Southern Mahratta Railway, *in re* the draining of the menials' quarters at the Mysore Railway Station.	Read letter No. 410, dated 19th December 1906, with enclosures, from the Vice-President, Mysore City Municipality. *Resolved* that it is highly objectionable to let the sewage in question into the feeder of Jeevanrayankatte; and that if the Railway authorities will conduct the sewage through a stone-ware pipe line in their own compound to a point opposite and in proximity to the north-western corner of the Silledar lines, the Board will undertake to lead the sewage into the drain to the north of the Silledar lines.
II. Provision of water pipe connection to be made to the flush tanks and latrines built by the Trust Board.	*Resolved* that the Chief Engineer be written to by the Chairman explaining the matter in detail, and pointing out that the Board does not want to use fresh water direct from the fountains, but only require that the taps be so placed as to allow of the waste water being collected in the existing flush tanks and utilized for flushing purposes, that the Board does not want a new or additional taps that the flush tanks already constructed have been placed near existing taps; that new flush tanks yet to be built will be similarly placed, and that this arrangement had been decided upon and given effect to long before the Public Works Department took over charge of the Water-works, and has been in force even subsequently.
III. Forwarding a list of houses infected in the improved areas of Mandi and Lashkar, No. II Drainage Area, with a view to consider what measures may be adopted, and how the Trust Board could co-operate with the departments concerned in taking steps for stemming the course of plague.	*Resolved* that a Sub-Committee consisting of :— (1) The Chairman, (2) Dr. T. S. Nanjappa, (3) Mr. G. Hanumantha Rao, (4) Mr. Mohamed Jaffer Sahib; be appointed to inspect and decide which houses among those in which the plague has appeared should be immediately demolished and which should be allowed to remain; and, if so, subject to what improvements; that the Committee be empowered to take immediate action, and that the cost of such acquisition and improvements be met out of the allotment for compensation and acquisition in the improved Areas.
